IMPORTANT BOOKING TERMS

Terms and conditions for GolfSol Ireland bookings

Please read these terms before paying a deposit or confirming a trip. They explain how deposits, balances, supplier rules, cancellations and liability work for GolfSol Ireland enquiries and bookings.

Booking role and supplier responsibility

GolfSol Ireland arranges Costa del Sol golf travel services with third-party hotels, resorts, golf courses, transport providers and other suppliers. We use reasonable care when coordinating your trip, but we do not own or operate those suppliers.

- Hotel rooms, accommodation facilities, golf courses, buggies, tee sheets and transfer operations are controlled by the relevant supplier.

- If a supplier changes, cancels, overbooks or fails to deliver a service, we will help escalate and seek a practical remedy, but we are not liable for that supplier failure.

- Supplier-specific cancellation, refund, no-show and amendment rules apply once a booking is confirmed.

Terms and conditions for GolfSol Ireland bookings

Deposit and balance

Unless your written proposal states otherwise, a 20% deposit is payable upfront to proceed with the booking. The remaining 80% balance is due within five days of booking confirmation.

- If you cancel within 48 hours of paying the deposit, the deposit will be refunded provided no non-refundable supplier cost has already been committed on your instruction.

- After 48 hours, the 20% deposit is non-refundable because supplier holds, administration and planning work have started.

- If the balance is not paid on time, suppliers may release rooms, tee times or vehicles and prices may change.

Accommodation problems

Accommodation is provided by third-party hotels, resorts, apartments or accommodation suppliers. We cannot guarantee room views, exact floors, adjoining rooms, bed types, facilities, staffing levels or amenities unless a supplier confirms them as guaranteed in writing.

- If accommodation fails or changes, we will help seek an alternative or supplier remedy where available.

- Local taxes, damage deposits, resort rules, cleaning charges and hotel policies may be payable locally.

- Supplier decisions on room allocation, maintenance and service delivery are outside our direct control.

Golf course bookings

Golf courses control tee times, course condition, course closure, pairing, pace of play, handicap rules, dress codes, buggy availability and refund policy.

- If a course officially closes, we will seek the refund, credit, voucher or replacement round offered by that course.

- If the course remains open and your group chooses not to attend, the round is normally treated as a no-show and charged in full.

- Buggy inclusion varies by course and player numbers. Odd-number groups may need to share, walk or pay locally for an extra buggy.

Cancellations, reductions and changes

Tell us as early as possible if you need to cancel, reduce numbers or change names, dates, hotels, golf rounds or transfer details. We will help where suppliers allow it.

- Group reductions can increase per-person prices because fixed costs are split across fewer travellers.

- Supplier amendment fees, lost discounts and rate increases are payable by the group unless we agree otherwise in writing.

- Travel insurance is strongly recommended for cancellation, illness, missed flights, baggage, golf equipment and disruption.

Liability limits

We are responsible only for our own proven failure to use reasonable care and skill in arranging services. We are not liable for another company mistake, delay, overbooking, cancellation, negligence or operational failure.

- We are not liable for indirect loss, loss of enjoyment, missed flights, unused services, or costs not approved by us in advance.

- Where GolfSol Ireland is legally liable, liability is limited to the amount paid to us for the affected service, except where Irish law does not allow that limit.

- Nothing in these terms excludes liability for fraud, deliberate wrongdoing, death or personal injury caused by negligence, or any legal rights that cannot be excluded.
